## Jesus Feeds 5000 People

Jesus was \_\_\_\_\_. He needed some time to rest. So he took his 12 friends and went to the far side of a lake and up a \_\_\_\_\_.

But the crowds followed him. They wanted to know more about \_\_\_\_\_.

Some of them were sick and wanted Jesus to \_\_\_\_\_.

Jesus knew what they needed and felt \_\_\_\_\_ for them. He had compassion on them.

So Jesus taught them and healed them. But now it was late in the day and everyone was getting \_\_\_\_\_. Jesus knew they needed \_\_\_\_\_.

He asked one of his disciples where they could buy food. Philip said 'we can't buy food we don't have enough \_\_\_\_\_'.

Another disciple, Andrew said 'this little boy has \_\_\_\_\_ loaves and 2 \_\_\_\_\_'. Jesus took the food and said '\_\_\_\_\_ to God.

It was amazing – that little bit of food fed \_\_\_\_\_ men and all the women and children. Christians believe it was a \_\_\_\_\_.

The people wanted Jesus to be their \_\_\_\_\_. But he wasn't ready for that so slipped away from them.
