

Picture One:

The people cheered and waved palm branches as Jesus rode into Jerusalem on a donkey. They were celebrating that he was going to be their special king.

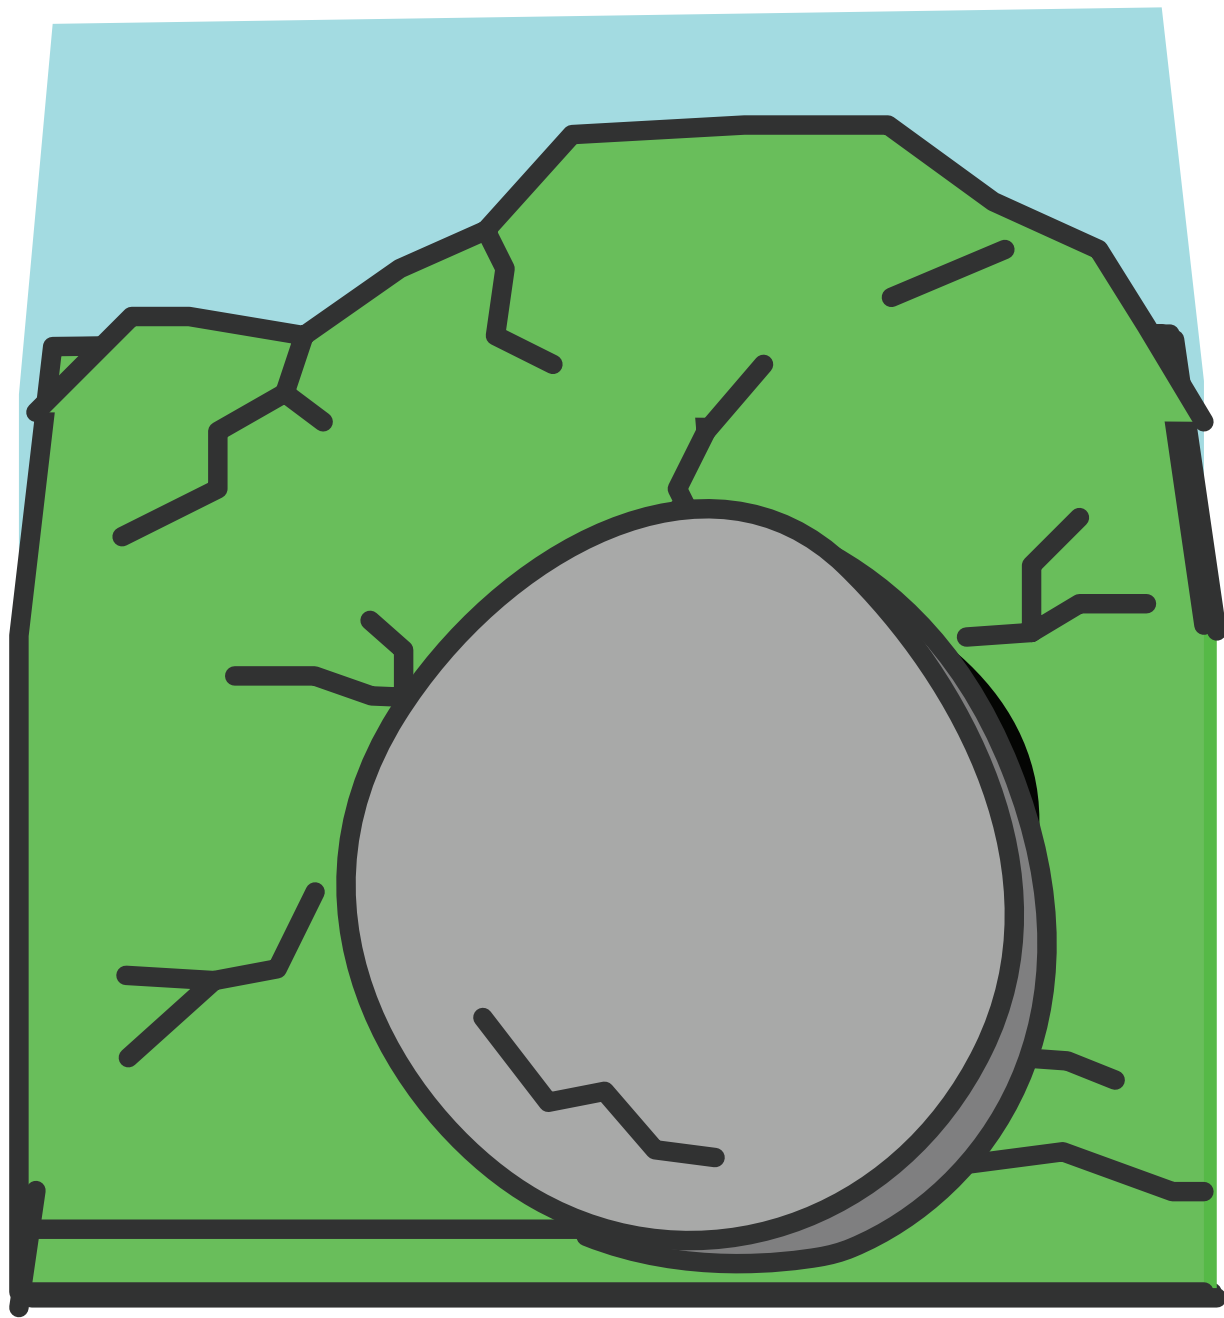

Picture Two:

Some people were jealous of Jesus. They didn't believe that he was a special king, so they made up untrue things about him and had Jesus arrested.

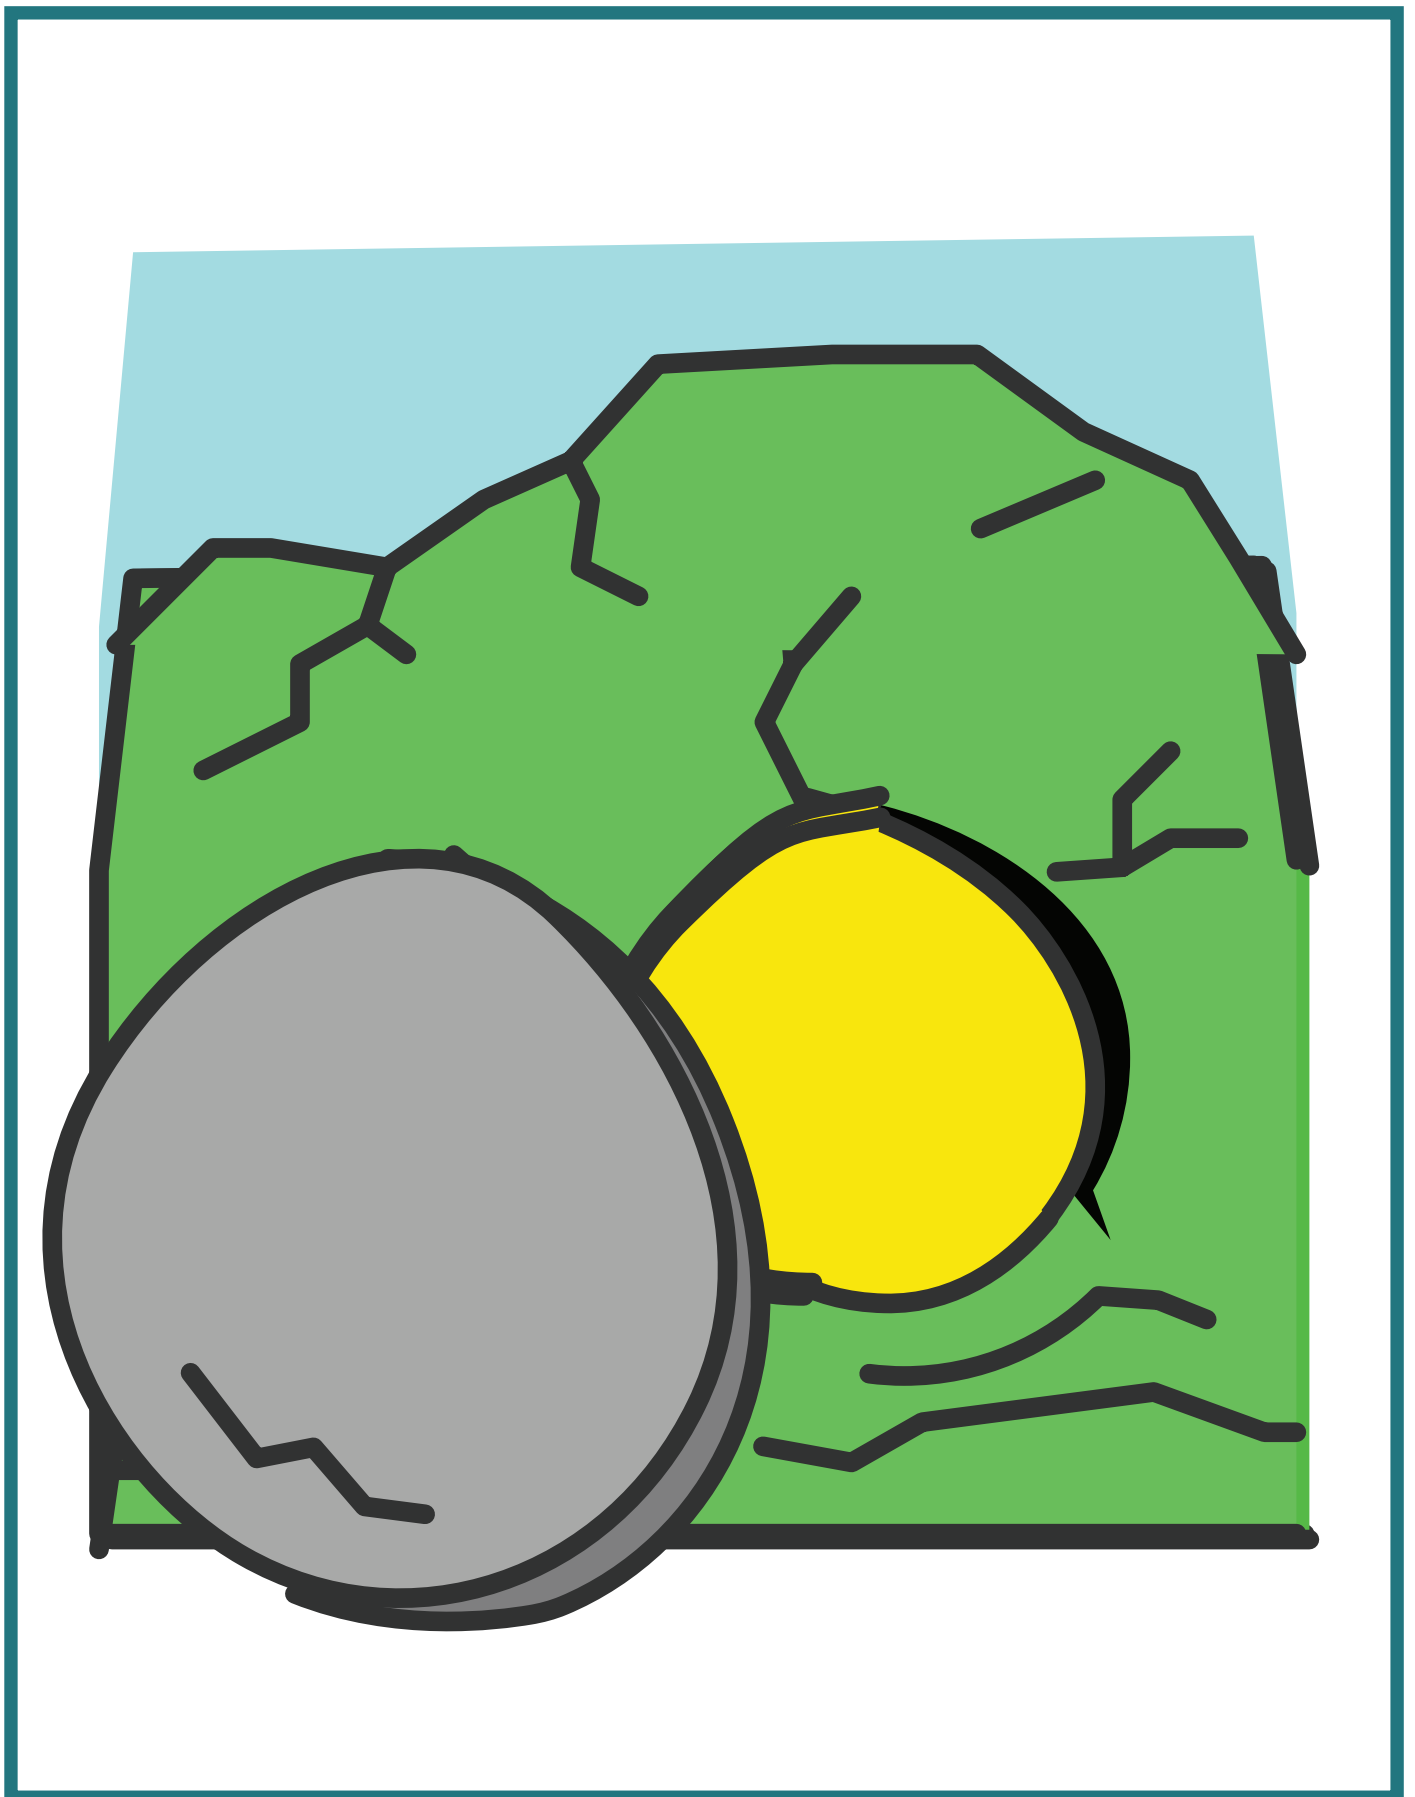

Picture Three:

Jesus was sentenced to death. He died on a cross like this one.

Picture Four:

A kind man wrapped Jesus' body in a linen cloth and put it in his own tomb. The tomb was carved out of the hillside like a big cave. A big stone was rolled in front of the tomb to seal it and block the entrance.

Picture Five:

Some of Jesus' friends came to the tomb, but when they arrived, they discovered that God had sent an angel to roll the stone away. The angel told them that Jesus was alive! Christians believe that Jesus really did die and that God's power brought him back to life again. They believe He is still alive today, living in heaven with God.
